

About Nati Bazar

Pure. Local. Ethical. Straight from Nature.

At Nati Bazar, we are creating a complete ecosystem to deliver natural, healthy, and chemical-free food products to your doorstep. While our operations are currently in the development phase, our mission is clear: to restore trust in what you eat — by offering meat, fish, vegetables, and grains that are clean, fresh, and responsibly sourced.

What We're Building

We're currently developing our own farms and building strong partnerships with rural producers to bring you:

Naturally Raised Poultry

- Broiler Chicken reared with hygienic practices and no harmful growth boosters.
- Free-range Country Chicken (Nati Kodi) raised in open, natural environments for authentic taste and higher nutritional value.

Ethically Raised Goat & Sheep

- Naturally grazed, well-cared livestock for soft, flavourful, and safe meat — without the use of hormones or antibiotics.

Freshwater River Fish

- Sourced from clean, controlled freshwater bodies and rivers, our fish will be delivered live or freshly processed to ensure top quality and freshness.
- Includes local species rich in Omega-3, with no chemical preservatives or ammonia treatment.

Non-GMO Vegetables

- Naturally grown vegetables free from genetic modification and harmful pesticides.
- Farm-fresh, seasonal produce that keeps your meals safe and nutritious.

Cereals & Grains

- Cultivated using traditional, sustainable farming practices.
- Includes native rice varieties, millets, pulses, and other grains — unpolished, chemical-free, and packed with nutrition.

Our Mission

To become your trusted source for real food — grown the right way, by the right people, for the right reasons.

Who We Are

At Nati Bazar, we believe real food shouldn't be a luxury — it should be a way of life. Our mission is to bring back purity and trust in what we eat by delivering chemical-free, naturally raised meat and produce from our own farms and trusted partners.

What We're Building

We're currently developing:

- Broiler & Country Chicken Farms – for antibiotic-free poultry

- **Goat & Sheep Farms – for ethically raised, hormone-free meat**
- **Freshwater Fish Sources – with live and fresh options**
- **Vegetable Farms – using non-genetically modified seeds**
- **Traditional Crop Cultivation – offering native cereals, grains, and millets**

We're creating a farm-to-home model that connects rural farmers directly with urban households — online and offline — ensuring fair prices, healthy choices, and zero compromise on quality.

Why Nati Bazar?

- **No GMOs, hormones, or chemical residues**
- **Ethically raised animals with natural diets**
- **Farm-fresh vegetables and grains**
- **Traceable food with rural empowerment**
- **Safe, hygienic processing and delivery systems**
